

A GENERATION'S SONG

Words and Music by Jasper Kent, Lance Coffman and Holly Madden

Verse 1

You looked from high
You heard our cry
Though doomed to die
You set us free and we must sing

Verse 2

You called us out
From prison chains
The doors thrown wide
You set us free and we must sing

Chorus 1

Our King is setting captives free
Our King raising the dead to be
A generation gathered in Your name

Chorus 2

Our King forever You will reign
Our King we come undone in praise
A generation gathered in the name of our King

Bridge

You are here present with us
You are here liberating captives
You are here Your kingdom among us
You are here And now we must sing
