

KING JESUS

Words and Music by Jasper Kent, Lance Coffman, and Chad Killingsworth

Verse 1

Jesus, Son of God, You brought Heaven to earth
Leaving Your throne above, You came in human birth
To feel every pain, tempted in all ways
You overcame it all

Chorus

Forever be King Jesus
Forever be the Lamb
Forever be Emmanuel
Who was and is to come

Verse 2

Jesus, Son of Man, You are God in flesh
A cross, Your punishment, bringing peace from death
Despising the shame, Your stripes now reclaim
Healing through rebirth

Chorus

Bridge

Come, we wait for Your return
Come, long expected one
Come, in peace forever reign
Come, the Christ, Messiah, King

Chorus
