

SIMPLE WORSHIP

Words and Music by Holly Madden, Doug King, Lance Coffman and Jasper Kent

Verse

Your beauty surrounds me,
Your glory fills the skies
You entertain the heavens with light.

Your Spirit draws me closer,
As all creation sings your praise.
If creation sings in wonder,
Then who am I to be silent?

Chorus 1

I stand in wonder
At your glory
Who you are is beautiful

Verse

Chorus 2

I stand in wonder
At your glory
Who you are is beautiful
I kneel here speechless
In your presence
These simple words I breathe now

Bridge

Hallelujah, hallelujah
Hallelujah, hallelujah
(x3)

Chorus 2

Ending

hallelujah, hallelujah, hallelujah
