

SING YOUR PRAISE

Words and Music by Jasper Kent, Lance Coffman and Doug King

Verse

There is a song in my heart
One that needs to be free
There's a song for You living in me

There is a song in my soul
One that I must sing
There's a song of praise rising in me

Pre-chorus

God, Brilliant One
Your name echoes through the world

Chorus 1

I will sing Your praise
My voice crying out
I will shout Your fame
Joining Zion's song

I will dance in joy
As my heart beats now
I will raise my voice
Shouting Heaven's song

Verse

Chorus 1

Bridge
People of God break out in praise
Sing out our endless song
People of God break out in praise
Lift up the Glory of God

Chorus 2

We will sing Your praise
Our voice crying out
We will shout Your fame
Joining Zion's song

We will dance in joy
As our hearts beat now
We will raise our voice
Shouting Heaven's song
